

Creating High Performance Teamwork

With People You Don't Know or Like™

MISSION:

To Create High-Performance Work Teams

YOU WILL LEARN HOW TO:

- ▶ Take charge of the team-building process.
- ▶ Choose and orient new team members.
- ▶ Develop a mission, a code of conduct, and team attributes of shared values.
- ▶ Increase team quality, productivity, and performance.
- ▶ Create a team-building recognition system.
- ▶ Reward and recognize for high-performance teams.
- ▶ Develop the six characteristics of leadership in superior work teams.
- ▶ Manage and reduce team personality conflicts.
- ▶ Conduct powerful team meetings.
- ▶ Utilize the coaching process for learning.

SEMINAR ATTENDEES SAY IT BEST:

“Excellent! Presentation was loaded with enthusiasm, solid realistic ideas and suggestions. Activities involving the audience helped demonstrate strategies in developing teams at all levels.”

– Marg Culleton, UAH

“This program got me involved in planning what I could do to change the teams that I work with so we all can become better team members and get results. I intend to use the 13 steps to help the team get to know each other.”

– Christine Witt, David Thompson Health Region

“Enhance the culture – facilitate the change, identify what the culture is now and what needs to change. Dynamic, fun, good techniques.”

– Georgann Hancock, Health Service Director, ECRHA
