

Michael Bayer

MBA, CSP

Implementation Specialist

Michael, dubbed “The Info-tainer” because of his high-energy style, which ranges from the inspirational to the irreverent, leads his clients through a process of change that creates results.

Michael is the Vice President of Training and Educational Services at the Custom Learning Systems Winnipeg Canada office. He leads a team of dedicated consultants, referred to as “The Implementation People” who are dedicated in helping people and organizations change. In the last five years, Michael’s focus has been on healthcare.

His experience encompasses senior management and consulting positions in both public and private sector organizations including Human Resources Development Canada, NavCanada, and AT&T.

Michael is a University of Winnipeg graduate, holding Bachelors Degrees in both Arts and Science. He recently received his MBA and is currently pursuing a PhD in Management at California Coast University.

Michael is a member of The Canadian Association of Professional Speakers, The Canadian Association for Therapeutic Humour, The Society of American Magicians and The University of Winnipeg Alumni Association. He currently serves on the Board of Regents of the University of Winnipeg.

On a personal note, Michael loves perform as a professional magician and lives with his wife and two daughters in Winnipeg, Manitoba.
